

Douglas Stoner
Field Crew Supervisor

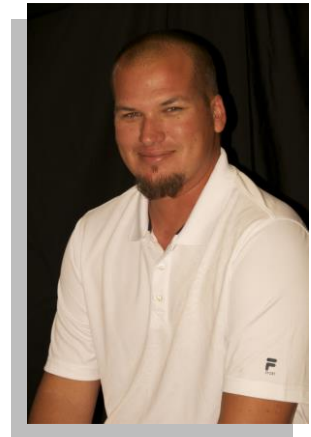

Professional Profile

During his eighteen years of employment with Stoner & Associates **Mr. Stoner** has worked his way from a Rodman to a Field Crew Supervisor.

Over the course of his extensive field work, Mr. Stoner has become proficient in all of the types of surveys performed by Stoner & Associates, including Boundary, Topographic, and Construction Layout Surveys.

Mr. Stoner now serves as the Field Crew Supervisor. He oversees the daily operations of four field crews, employee safety procedures, fleet management, and equipment management and maintenance, among other responsibilities. He also spends a vast majority of his time on job sites training employees in the use of equipment, and overseeing the quality of the data collected by the Field Crews.

Mr. Stoner is proficient in all of the types of equipment utilized by Stoner & Associates, and specializes in Topcon and GPS. He is also very knowledgeable in Carlson Survey and AutoCAD.
